VERMONT RIGHT TO LIFE MISSION STATEMENT

The mission of the Vermont Right to Life Committee is to achieve universal recognition of the sanctity of human life from conception through natural death. In pursuit of that mission, VRLC, through peaceful, legal means, seeks changes in public opinion, public policy, the law, and individual behavior that respect the right to life and reject abortion, euthanasia, and other actions that deny the right to life.

Proposal 5 was passed by both the House and Senate during the 2019 legislative session. The measure will need to pass both the House and Senate again in the next biennium.

If Proposal 5 passes the Legislature in the 2021—2022 session, the language above will be placed before the voters of Vermont on the general election ballot of November 2022.
